

Bahia Bay Property Owners Association Neighborhood Watch Program

Block Captains 2018

Please refer to our website, www.bbpoa.com for more details about our Neighborhood Watch. It is designed to keep our neighborhood safe from crime and coordinates with local sheriff office and the National Night Out program on behalf of the neighborhood.

Block Captains are homeowners who volunteer to keep an eye out for suspicious activity especially in their area/street. Each homeowner is responsible for contacting appropriate authorities to handle any issues related to their personal property. If they would share the information, the chair of the Neighborhood Watch Committee, Joellen Simmons, may e-mail out the incident to help facilitate communication with the association; focus on issues we need to be vigilant about.

The following Block Captains are:

Lands End..... Sherry Otto, Deedy Studer
