

# Bahia Bay Property Owners Association

## 2019 Survey on Annexation by City of Aransas Pass

I am a property owner in Bahia Bay (BBPOA). I understand that the city of Aransas Pass is considering annexing my property in Bahia Bay. I am (**INITIAL** either of two lines below):

\_\_\_\_\_ opposed to Aransas County unwanted annexation of my property in Bahia Bay. There is no service the city could offer me as part of an annexation plan that would make me approve of the city's plan. Bahia Bay currently receives critical life support services such as fire, police, and emergency medical and management services from Aransas County. Aransas County's critical life support services are, in my opinion, superior to services Aransas Pass currently offers its citizens, or might some day offer to Bahia Bay owners.

\_\_\_\_\_ open to considering the city's annexation plan. I would like more information about the services the city of Aransas Pass plans to provide to Bahia Bay property owners at annexation, when such services would be available in Bahia Bahia, and at what cost to each property owner.

**Bahia Bay Street Address:**
