

Welcome!

The Bahia Bay Property Owners Association (BBPOA) board members would like to welcome you to our neighborhood. We hope you will enjoy your time in Rockport from sunrise to sunset.

You should have received a copy of the Bylaws and Covenants from the title company at closing. If you did not, for your convenience, you can find copies of both documents posted on the Bahia Bay Website at <http://bbpoa.com> under the "Bahia Bay Organizational Documents" tab. This HOA is governed by those Covenants.

You will find a list of Bahia Bay Property Owners Association Officers and Committee members online under the "Officers and Block Captains" tab.

It is important that contact information for the owners in Bahia Bay be kept up-to-date. The information is used by the Board in contacting members should the need arise. Your help in providing your contact information is appreciated. Please send the following information to the current Secretary, the Database Manager, or fill out the info and return via the Welcome Rep.

Bahia Bay address
Primary mailing address
Phone number(s) of both owners, if more than one
E-mail address(es) of both owners, if more than one
Rental management company and contact (for rental property only)

Once your contact information is received, you will receive an electronic copy of the Bahia Bay Directory and a map showing property locations and owner names via email. This information should be helpful when you need to make contact with us or your neighbors. Please let us know if any of this information needs correcting by contacting the Database Mgr.

We hope you enjoy your time in Bahia Bay!
